Clarification: The Rodeo and 2-person race has been combined into one event. The course will be built to accommodate all skill levels / all vehicle capabilities. Please disregard the following information on the registration form: hitch requirements and checking rodeo or race.

The two drivers will start at a different point of the track (not side by side racing). Winners will be determined by elimination, with a trophy awarded to 1st, 2nd, and 3rd in each class. Classes to be divided between sport and utility. Registration is 4-6 pm at the pit entrance or pre-register before July 11th (\$5 discount). Drivers meeting at 6:30 pm in the pit area.
